

I've requested a copy of the proposed rule (02-277) from the general FCC consumer email address, from Chairman Powell, and from Commissioner Copp --- all via email transmissions from the official FCC website. I have received DA 02-2980 (FCC's Media Bureau Adopts Procedures for Public Access to Data Underlying Media Ownership Studies and Extends Comment Deadlines for 2002 Biennial Regulatory Review of Commission's Media Ownership Rules). But I still haven't received a copy of the proposed rule-change --- or information about where I can access the rule. I can't comment without reviewing the proposed rule-change and I would really like to comment. Please let me know how to obtain the proposed rule-change.

Thank you.
